IMPORTANT INFORMATION

Dear Parents,

As we found out this past year, it is imperative that we have your current phone numbers for any situation that suddenly arises. We want to emphasize the importance your current contact information is to our program. Please emphasize to your children that if they listen to a message from us, the importance of relaying it to you!

I would like to introduce to you the OneCall phone system. As the name implies the OneCall phone system will allow me to record one message and have it simultaneously sent to all parents and catechists whose phone numbers are on the one call list. One of the ways we will use this system is to inform you about class cancellations or delays due to weather.

Parents may list two phone numbers per family - such as a home and cell number.

If you have any questions, please don't hesitate to call me at 663-7934.

May God Bless You and Your Family,

Marian Weeks
Faith Formation Coordinator

OneCall

Parents,

Please list the two phone numbers that you wish to be added to our OneCall phone list. Return this form to St Mary's by September 11th. If you fail to return this form only the main number (typically the home number) listed in our faith formation computer system will be used.

THANK YOU!
